

Native Universe Voices of Indian America

Featuring the work of many of our foremost indigenous writers, scholars, and leaders, along with a treasure trove of illustrations culled from the collection and archives of the National Museum of the American Indian, this magnificent volume celebrates the Native peoples of North, Central, and South America, their beliefs and ceremonies, their history, and the lives that they lead today. Includes three hundred photographs, from arresting century-old portraits of great chiefs like Sitting Bull and Geronimo to full-color photographs of sculpted masks, graceful baskets, dazzling beadwork, and much more.
