

Occident (Classic Reprint) (French Edition)

Excerpt from Occident Ni lun ni lautre, cest le neutre. En cette double negation, une pauvre vie saffirme. On peut trouver son compte a etre neutre: il ny a pas lieu den etre fier. Dans un monde en proie a la guerre, en un temps ou tout est action, le neutre voudrait faire croire quil est lun et lautre, pour lun et pour lautre. Mais il ne peut. Limpuissance est le propre du neutre. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
