

Aviemore and the Cairngorms: 40 Shorter Walks (Pocket Mountains)

Britain's largest National Park, where mountains rise in a vast wilderness of high plateaux, deep corries and empty glens, is not just a place for the intrepid - the vast tracts of surviving Caledonian forest, sparkling lochs, heather moors and tumbling rivers also make it fantastic walking country for those who want to enjoy it at a more gentle pace. Aviemore and the Cairngorms features 40 shorter walks, including many perfect for families, stretching from the ancient region of Badenoch and the uppermost reaches of the Spey Valley, through the outdoor hub of Aviemore to Grantown and Tomintoul, then over Ballater and Royal Deeside to Braemar.
