

## Some Thoughts on Hitler and Other Essays

Irmin Vinsons Some Thoughts on Hitler and Other Essays is a book about propaganda. Vinson explains how the organized Jewish community uses the memory of Adolf Hitler and the Holocaust as weapons to stigmatize the patriotism and ethnic pride not just of Germans, but of all whites, including those who fought against Hitler. In these clear, rational, and highly readable essays, Irmin Vinson demolishes this propaganda and exposes the insidious agenda behind it.
