

Ka-mi-akin, last hero of the Yakimas

From Google books A. J. Splawn has written one of the most important books about the Yakamas, as well as the other tribes of the Pacific Northwest. A cattle rancher, Splawn could have just focused on his business. But, he was enchanted with the Yakama tribes, and was honored to be friends with many of the tribe. Through them, he heard and then recorded stories of their heritage, and the heart-breaking wars upon them, resulting in the shaky treaties. Splawn has performed a crucial role in keeping many of these stories alive. He is joined by Judge W. C. Brown, who also knew the tribes, and also recorded their stories. These men are joined by L.V. McWhorter, another cattle rancher-turned tribal scribe, and Mourning Dove, a woman from the tribes who carefully wrote down precious Coyote stories. All these writers have captured and kept for us the thrilling stories of these people who lived more free than any humans. If you want to know about the Yakamas and other Pacific Northwest Tribes, then Splawn's Ka-mi-akin is a great place to begin. 500 pages
