

La France, Rome Et Italie (Classic Reprint) (French Edition)

Excerpt from La France, Rome Et Italie Les documents diplomatiques sur les affaires de Rome, publies par le gouvernement, et le remarquable expose de M. le ministre des affaires etrangeres, ont jete un jour eclatant sur la loyaute et la moderation de la politique francaise. Mais ces negociations, ou le devouement de l'Empereur pour le Saint-Pere et la resistance absolue du gouvernement pontifical se revelent, d'une facon si frappante, ne doivent pas etre isolees d'un ordre de faits qui sy rattachent directement. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
