

Recollections of 92 Years, 1824-1916

When the indomitable Meriwether was banned from her home by Union soldiers because her husband was a Confederate officer, she spent the next two years bartering for food and shelter for herself and her three young sons. After the war, Meriwether embarked on a decades-long career as an author and advocate for the equality of women, keeping up the crusade until her death in 1916--the year congressional support for womens suffrage emerged.
