

Jagdgeschwader Nr II Geschwader Berthold (Aviation Elite Units)

After struggling with inadequate supplies of aircraft and materiel, the veteran pilots of the Geschwader would go on to enjoy incredible successes against French and American opponents in September 1918. Aces who flew the famous blue-fuselaged Fokkers of JG II included such stalwarts as Josef Veltjens (35 kills), Georg von Hantelmann (25 kills), Franz Buchner (40 kills) and Ulrich Neckel (30 kills). This volume contains many first-hand accounts by these and other notable aces, which reveal the esprit de corps and camaraderie these airmen displayed in their struggles against superior numbers up to the wars final grim days.
