BOOK LAUNCH: Brand New Email Samples By Mike DeVincent That Have Been Recently Cleaned, Scrubbed, Organized, And Updated! Start writing emails that your audience opens, reads, and actually clicks! But first, let me ask you a question... Have You Ever Been Frustrated Because You Have A List, But Have No Idea How To Write Pitch Emails? Face it. You can be the best entrepreneur on the planet. And you can have a ton of awesome products, websites, and services with the best audience. But if you dont send emails to your list, youll never build any rapport, prestige, authority, or sales. So Ask Yourself How This Would Feel. How would it feel if instead of being totally tongue-tied as a result of writers block, you could literally spy over my shoulder and snag these 30 elite email samples? So you could finally write emails to your audience and even build massive authority and your audience would actually read your content and click your links at the same time? Would that feel good? So you could finally promote absolutely anything you wanted via email? If Thats The Case, Youre Going To Love This Book! So you can literally swipe and sample 30 emails in the Traffic niche. These emails are designed to entertain your subscribers, and to sell the CLICK each and every time. So if youre scared to promote products, then please dont buy this book! BUT, if youre interested in studying how to SELL THE CLICK, then youll love this book. And just a warning, this book is in the Traffic niche, and all of the emails are just samples. So if youd like to study my email marketing style, then youll love this book. BUT, if youre looking for specific emails that you can use for your specific business, please SKIP THIS BOOK. So why learn from me? Well, Ive been writing emails nearly every day since 2011, and teach thousands of students on the topic of email marketing. Not only that, but youll crack a

massive smile as you study my email marketing style that Ive been using since around 2011. So How Much Is This Book Worth? Well, if you hired an email copywriter to write you 30 sample emails in the Traffic niche, then it would easily cost you at least a few hundred bucks. Plus theres the time aspect of it. Imagine if you spent several years of your life studying email marketing like I have? If any of this sounds good, then Ill see you on the inside!

At This Point You Have Two Choices... You can continue doing what youre doing now. Keep neglecting your email subscribers. Theyll ultimately forget about you. So, you can keep neglecting your subscribers if you want. But be honest, how has that been working so far? Or, you can snag this book. So you can finally study my email marketing style. Your future is bright. And Im so confident in your ability to succeed! Buy this book now if youre interested in studying my email marketing style that Ive been crafting since 2011.
