

## The Cause of the War (Classic Reprint)

Excerpt from The Cause of the War What is the cause of the war? It is the most important question to which any man or woman can just now turn his mind. No word has been of late so frequently on our lips as the word, Why. Men have asked one another in sad bewilderment, How does it happen that mankind has gotten into this deplorable predicament? How can you account for it that the nations of Europe have plunged into this abyss of blood and fire? About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
