

# World History 1/8: Anarchaeology, Misanthropology, Adolf Hitler, Joseph Stalin, Mao Zedong, Rex Curry, Socialist Crusades, Latest Dark Age, Modern Inquisitions, Holocaust & Wholecaust

Did Nazi salutes and Nazi behavior come from the USAs Pledge of Allegiance to the flag? Did the swastika represent crossed S letters for socialism under Adolf Hitlers socialism (Nazism)? The historian Dr. Rex Currys discoveries are explained in this book by the author Micky Barnetti. The book World History 1/8 also introduces readers to Anarchaeology, Misanthropology, and the Socialist Crusades, the Latest Socialist Dark Age, and the Modern Socialist Inquisitions, which resulted in the Wholecaust (of which the Holocaust was a part). Adolf Hitler, Joseph Stalin, Mao Zedong and other socialists are exposed along with the influence of socialists in the United States upon those dictators. Other contributors include: Matt Crypto, Ian Tinny and the historian Dr. Rex Curry (whose work is the subject of the book Drug Detection Dog Training -Libertarian Lawyers Fight Police State USA). Before joining the Dead Writers Club and collaborating to produce this book, Micky Barnetti was a forensic fraud analyst, philologist and a contributor to Wikipedia. Another volume by the Dead Writers Club is BFFs Analects and the self-titled Dead Writers Club. The Dead Writers Club is also the origin of the groundbreaking book Pledge of Allegiance & Swastika Secrets. It is a semi-biographical work about the nations leading authority on the Pledge of Allegiance and his many discoveries about its bizarre past and present. The Dead Writers Club also assisted with a classic science fiction tale revealing an amazing discovery about time travel.
