

Grace Under Fire: The Sinking of the U.S.S. Sims and the Amazing Story of its 13 Survivors

Here, for the first time, is the true, untold story of the 13 survivors of the U.S.S. Sims (DD-409), sunk in action during the Battle of the Coral Sea. First-hand accounts of survivors and never before published letters from crew members and their families reveal a story of courage, hope, friendship and love undaunted by the horrors of war. This riveting work of military history brings readers face-to-face with the human toll of war and takes them deep inside the action, from the Neutrality Patrols in the perilous North Atlantic to the battle that gave America its first strategic victory of World War II. Grace Under Fire is Dan Verton's fourth book. Winner of the 2003 Jesse H. Neal National Business Journalism Award, Dan Verton is the author of *The Insider: A True Story* (Llumina Press, 2005), *Black Ice: The Invisible Threat of Cyber-Terrorism* (McGraw-Hill, 2003) and *The Hacker Diaries: Confessions of Teenage Hackers* (McGraw-Hill, 2002).
