

Yehudas Revenge

Survival, Romance and Revenge The scope of the Holocaust, Guerrillas blowing up trains, and the Russian Armys Blitzkrieg drive across Eastern Europe to the Baltic Sea are the backdrop for Yehudas true adventure of survival romance and revenge. The story of Yehuda Adelman makes it possible to look at a frightening world with new eyes, for his is a saga of innocence, ensnarement, unimaginable suffering, and then a joyous re-emergence into the light. Based on the actual experiences of a man who may be said to have lived several lifetimes, Yehudas Revenge is relentless as it crisscrosses the entire geography of the human mind and heart. Step into the heat of the Holocaust as I outrun death, while everything I love is murdered, my culture, my family and friends. You will also experience the satisfaction of revenge. Yehuda
